I hope that everyone is managing to stay safe and healthy! My name is John Hunt and I am the local Girls' USA Lacrosse Certified Officials Trainer as well as the girls' local high school assigner for Cincinnati and Dayton. With 2022 upon us it is time to start preparing for the spring lacrosse season. The first step in becoming a certified official is attending a training class. This year the class will be taught remotely (zoom meeting invite to come later) on Monday evenings with field instruction/feedback provided at a date to be determined in March. If for some reason you cannot make the dates listed above but are still interested in officiating lacrosse this spring, please proceed with filling out the google form and we can work through conflicts the best way possible. We coordinate our classes with the other regions across the state (all offered remotely through zoom at this time) and can get you placed into one of the other classes being offered on different dates.

We are excited to add to our officiating team. Let me know if you have any questions about the requirements or what is needed to officiate this spring.

Best,

John Hunt
